Teacher Code of Conduct

Berkeley International School AY 2024 - 2025

Professional Conduct

Teachers at Berkeley International School are expected to adhere to the highest standards of professional conduct. This code of conduct outlines the expectations for teacher behaviour and interactions with students, parents, and colleagues.

Student Interactions

- **Respect:** Teachers must treat all students with dignity, respect, and fairness.
- **Boundaries:** Teachers must maintain appropriate professional boundaries with students. This includes avoiding physical contact that is not necessary for instructional purposes, and refraining from making personal or inappropriate comments.
- **Communication:** Teachers must communicate using clear and respectful language.
- **Privacy:** Teachers must protect the privacy of students and their families. They must not disclose any personal information about students without their consent or as required by law.
- **Technology:** Teachers must use technology appropriately in their interactions with students. They must not engage in private contact with students on any platform or social media other than School email, Google Classroom or Class Dojo.
- **Meetings:** Teachers must not meet with students privately, unless supervised by a school administrator.

School Policies

- **Adherence:** Teachers must comply with all school policies and procedures.
- **Reporting:** Teachers must report any concerns or incidents to the appropriate school administrator.

Appearance and Social Media

- **Professional Appearance:** Teachers are expected to dress professionally and in a manner that reflects the school's values.
- **Social Media:** Teachers must be mindful of their use of social media and avoid engaging in inappropriate or unprofessional behavior online.

Violation of Code of Conduct

Any violation of this code of conduct may result in disciplinary action, up to and including termination of employment.

Teacher Performance Expectations

Teacher Evaluation

Teachers' performance will be evaluated using the Danielson Model in Planning and Preparation, Instruction, and their management of the learning environment and finally , professionalism and participation in the professional community.

Teachers professionalism and participation in the professional community will be evaluated based on their performance in the following areas:

- ### Communicate Effectively:

  Use appropriate channels of communication, ensure clarity and respect in their messages.

- ### Adhere to Policies and Procedures:

  Follow school rules and guidelines consistently, including completing necessary paperwork.

- ### Participate in the School Community:

  Actively engage in school events, activities, and improvement initiatives beyond the classroom.

Evaluation Criteria

The specific criteria for each evaluation area are outlined above. Teachers will be rated on a scale of Emerging, Developing, Proficient, and Advanced, based on their performance in each area.
